DOES MY CHILD ARRIVE WEARING THEIR COSTUME?

Yes. Please arrive with costume, hair already done and shoes on – It makes it much easier for the helper backstage if they do not have to change shoes and put costumes on upon child's arrival. Please make sure the students are wearing a studio jumper/Dressing gown over their costume so it cant be seen as we would like it to be a surprise for our audience.

At the end of the concert, please make your way to where you signed in your child. The same process will happen – the same person that signed them in must sign them out.
